Hi Corbin,  
We are working in that mode (to issue the draft permits, that is.) We are meeting with Darcy this afternoon to propose a Jan 19 issue date. So whenever you all can get comments to me that would be fine. If that date changes, I will let you know.  
Thanks!

Hi Valois,

Just checking in to confirm that this is still the plan for issuing the draft permit? If so, can we have a few extra days to get any comments to you? Jean will be back in the office on Jan 9.

Thanks,  
Corbin

Hello,

Based on my conversation with Sarah Bahrman today, we are planning to issue the Dewey-Burdock draft permits on January 17. I just wanted to check to see if you have any comments on the latest version of the draft EJ analysis document. I have attached it so you have it handy. If you do have any comments, please get them to me by COB Friday, January 6.

Jean, could we get together in January to go over the "to do" list we identified at our last meeting? I will be back in the office on Jan 3.

Thanks so much for your help putting this document together!
